All utilities should be active and in Rentmaster's name when you move in. The Lease Agreement requires that the Lessee transfer all applicable utilities into Lessee's name. Rentmaster requests that you, the Lessee, make this transfer within *one business day* of occupancy. Please document your account number, circle the company which provides the service, and return this form to our office. Within 48 hours of your move-in, we will verify the transfer of the utilities as outlined in the Lease Agreement. **If you fail to return this form within 1 business day, your utilities will be turned off!**
